Lenten observances

Fast with our Screen-Free Lenten Challenge: Abstain from the use of screens for your entertainment and discover the new and exciting things God has for you. Be sure to track your discoveries with the point tracker your teachers sent home & turn them in on Thursdays.

Give Alms through our Milk Money for Manto Collection: Donate to the homeroom collection buckets to support our Parish Mission Council's efforts to feed and catechize children at our sister parish in Honduras. Weekly, students may enter a drawing when they make a donation.

Prayer: The school will pray the Stations of the Cross every Friday during Lent that falls on a school day. Join us in the church on Fridays at 2:30 p.m. and pray with us!

Teacher Requests Policy

Due to the quantity of teacher requests and the other important considerations in building class rosters that are healthy and balanced, assigning particular teachers or classmates upon request is not feasible. Each teacher is a qualified and trusted member of our team and our community.

Family Resources

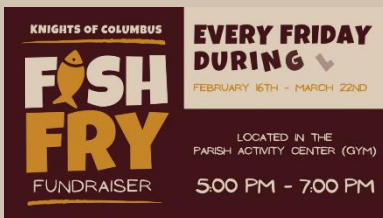

Sheltering from Screens

Though students may not use phones at school, out-of-school screen habits can still affect them. Students who are exposed to social media are at greater risk for anxiety, depression, social discord, peer troubles, and classroom learning struggles. Parents are urged to limit and monitor children's screen time and online activity carefully, and to replace screen time with other great options such as reading, outdoor time, and family time. Saying "No" to screens is saying "Yes!" to so much more!
